

Scientific Rationale

As new information and innovative technology are developed via study and clinical practice, the treatment of prostate cancer is advancing quickly. With an eye toward the future perspectives that have the potential to improve clinical outcome and patient survival, the educational meeting "Changing perspective in the management of subjects with PCa" aims to provide an overview of the most recent therapeutic approach in any stage of prostate cancer, from localized, low risk to advanced metastatic disease.

UEMS-EACCME accreditation

The Changing perspective in the management of subjects with PCa, Qawra, Malta 23/11/2023 - 24/11/2023, has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with 7.5 European CME credits (ECMEC®s). Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity

Through an agreement between the Union Européenne des Médecins Spécialistes and the American Medical Association, physicians may convert EACCME® credits to an equivalent number of AMA PRA Category 1 CreditsTM. Information on the process to convert EACCME® credit to AMA credit can be found at https://edhub.ama-assn.org/pages/applictations.

Live educational activities, occurring outside of Canada, recognised by the UEMS-EACCME® for ECMEC®s are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada.

EACCME® credits

Each participant can only receive the number of credits he/she is entitled to according to his/her actual participation at the event once he/she has completed the feedback form. Cf. criteria 22 of UEMS 2023.07.

In order to help you issue individual certificates to each participant, please find below the breakdown of ECMEC*s per day:

23/11/2023 - 3.5

24/11/2023 - 4.0

The EACCME® awards ECMEC®s on the basis of 0,5 ECMEC® for 30 minutes of CME with a maximum of 8 ECMEC®s per day, cf. Chapter XIII of UEMS 2023.07.
